

New Representative in New England

San Jose, CA – **June 30, 2009** – Eclipse Microwave is pleased to announce the appointment of a sales representative in **New England** to expand our customer base.

“**JayTech Sales** is a focused Manufacturers Representative calling on a highly technical customer base in the New England and New York territories. We seek developing commercial and MIL opportunities particularly in high frequency and volume low cost.”

is a highly focused representative of microwave electronic components, and sub-assemblies to the regional industrial, military and aerospace market in New England.

Base in Dracut Massachusetts, JayTech Sales is also a supplier of precision microwave connectors, amplifiers, oscillators, attenuators, couplers, ferrite devices, discrete components, data connectors, and specialty microwave materials. JayTech Sales has over 30 years of direct sales and engineering experience in the RF & Microwave industry.
