New Representative for Oregon, Washington, Utah, and Southern Nevada

San Jose, CA – **June 10, 2010** – Eclipse Microwave is pleased to announce the appointment of a sales representative for **Oregon, Washington, Utah and Southern Nevada** to expand our customer base.

“We specialize in RF and microwave systems, subsystems and components covering the frequency range from DC through 300GHz and beyond for commercial and military applications.”

Sheridon Associates specializes in representation and distribution for both domestic and international companies in the marketing and sales of their products in the United States and Canada.

Based in Oregon, Sheridon Associates has been a supplier of RF/Microwave Diodes, Waveguide Components, Switches, Amplifiers, Mixers, Phase Shifters, Filters, Circulators, Equalizers, Oscillators, and more since 1997.
